

Pallet Box

The Pallet Box is a fully enclosed hard goods storage and delivery option that is set on top of a pallet for easy transportation. The weather-proof box is fully enclosed, making it perfect for construction sites and branch deliveries. It comes standard with two doors and two inner shelves for organization. The pallet bottom can be customized to fit on your particular style of pallet trailer.

Height: 63"

Width: 38"

Weight: 618 lbs.
